...ARE YOU INTERESTED IN MASTERING FRENCH PHONETICS ONE FOR ALL?

« ECUYER ! »
« THYM »
« BOUILLOIRE »

LEARNING

- ❑ These workshops aim to improve your pronunciation, your understanding of French native speakers and to acquire more natural expression in French
- ❑ By a French State qualified teacher as a foreign language
- ❑ Target audience : all levels but at different times, from achieved False Beginners A1
- ❑ In Paris or in Maisons-Laffitte

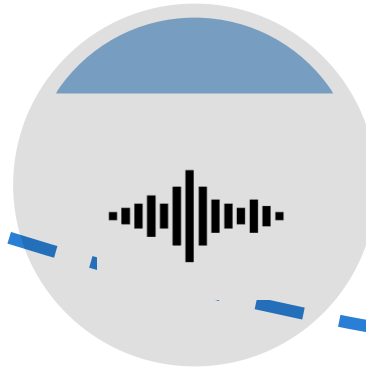

METHODOLOGY

- ❑ In a warm and relaxed environment, you will learn how to pronounce the most complicated sounds and unlock your potential.
- ❑ Workshops in small cosy groups
- ❑ With the help and efficiency of the well-known **Borel method**, you will leave with making the **connection between pronunciation and writing** and have **audio exercises** to practice for the next three months!

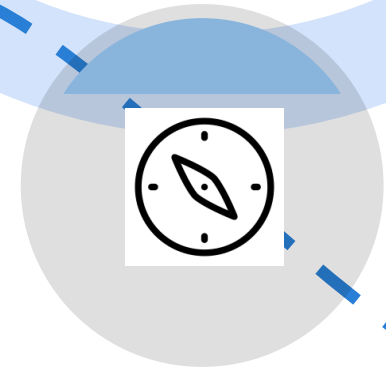

1. SPEAKING

- ❑ the pronunciation of the letters of the alphabet
- ❑ the rising and falling intonations (question/affirmation)
- ❑ the intonation of question tags at the end of a question
- ❑ the rhythm and intonation: how to pronounce, or not, the last letters
- ❑ the pronunciation of French vowels
- ❑ how to pronounce long words by cutting up words into syllables
- ❑ According to the native language of the participants, groups of consonants explored...

2. EXPLORING

- ✓ Practicing lengthening the final syllable of phonetic words
- ✓ Mandatory words you liaise
- ✓ The mandatory liaisons in N
- ✓ Rhythm and intonation, rhythmic structure and stress groups

3. MASTERING

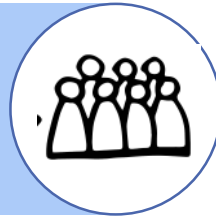

- ❖ In greater depth, the properties of the disjunction of the French 'h'
- ❖ Liaisons that are not allowed
- ❖ Adapting your speaking speed so that the phonetic words in a statement are of the same duration
